Loving and Leading People to Jesus

A DISCIPLE DOES WHAT JESUS DID,
----- OF THE COST
Luke 14:26-27 (NIV), Luke 14:28-33 (NIV)

BEING A -----
Luke 5:1-11 (NIV)
- Jesus went to where the people were

A disciple is one who believes so much in Jesus that our whole life pursuit is to become like Him, and we do what He did.

A DISCIPLE GOES -----

A DISCIPLE MAKES -----
Matthew 28:18-20 (NIV)

“If I am a disciple, who should I be discipling?”

Jesus simply did life with ----- around -----
with a spiritual emphasis. It was bringing the
spiritual into everyday life.

Where do I begin? Two kinds of bait
----- and -----

**A DISCIPLE LEAVES EVERYTHING TO BE LIKE
HIM, FOLLOW HIM, AND DO WHAT HE’S BEEN
DOING.**

Discovery is...

... a contemporary, Biblical church communicating God's Word in a creative and compelling way.

We're imperfect people striving to become more Christ-like, not just on Sundays, but in the way we live our lives every day.

We are about acceptance, compassion, and relevance to everyday life. We have no hidden agenda but just explore real-life issues from a Biblical perspective.

We place high value on family, relationships, outreach, children's & students ministry, community impact, and are seeking to leave a legacy of love for future generations.

Our team is available to pray with you after the services today.
